Providing Women's Wellness Benefits at No Cost

Did you know that the Affordable Care Act (ACA) has made an increased number of in-network preventive services available to women at no cost?* These services are now covered in full by EmblemHealth, and include:

- Well-women visits (annual checkup)
- Gestational diabetes screening
- Human papillomavirus (HPV) testing
- Counseling for sexually transmitted diseases
- HIV testing and counseling
- Contraceptive methods and counseling**
- Breastfeeding support, supplies and counseling
- Domestic violence screening and counseling

We encourage you to keep your clients informed about all the women's health benefits available at no cost through their plan.

*Applies to plans sold or renewed on or after August 1, 2012.

**Please note that some religious employers may be exempt from providing this benefit.
