## Emblem Behavioral Health Services Program Underway

Our new **Emblem Behavioral Health Services Program** became effective on January 1, 2012. ValueOptions now provides behavioral health services for members in our GHI HMO, HIP-underwritten and Vytra Health Plus Management Systems plans. Behavioral health benefits for members transitioning to the Emblem Behavioral Health Services Program will not change.

Members who have the Montefiore logo in the lower left corner of their ID card will continue to access behavioral health practitioners in the Montefiore network. These members may, at their option, utilize the Emblem Behavioral Health Services Program network as well.

Additional information may be found in our Quick Guides for [Clinicians](#) and [Facilities and Mental Health Agencies](#). Or you may go to [ValueOptions Web site](#).
