More Information on ICD-10

More ICD-10 materials are now available on our [Web site](#) to help your practice transition to this new coding system. In August 2011, CMS conducted a teleconference, *National Provider Call on ICD-10 Implementation Strategies*. The teleconference addressed ways practices can prepare for the change to ICD-10. If you missed the teleconference, you can [review the content](#), presented as podcasts, transcripts and slides.

Continue to check our Web page [Getting Ready for ICD-10 Together](#), where we will post additional resources as they become available. Look for the ICD-10 button for more ICD-10 material.
