

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** Please read the FEHB Plan brochure RI 73-001 that contains the complete terms of this plan. **All benefits are subject to the definitions, limitations, and exclusions set forth in the FEHB Plan brochure.** Benefits may vary if you have other coverage, such as Medicare. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can get the FEHB Plan brochure at [www.Emblemhealth.com/federal](http://www.Emblemhealth.com/federal) and view the Glossary at [www.Emblemhealth.com/federal](http://www.Emblemhealth.com/federal). You can call 1-800-447-8255 to request a copy of either document.

Important Questions	Answers	Why This Matters:
<b>What is the overall deductible?</b>	\$ __0__ /Self Only \$ __0__ / Self Plus One \$ __0__ /Self and Family	Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. Copayments and coinsurance amounts do not count toward your deductible, which generally starts over January 1. When a covered service/supply is subject to a deductible, only the Plan allowance for the service/supply counts toward the deductible.
<b>Are there services covered before you meet your deductible?</b>	Yes.	This plan does not require deductibles for most eligible medical services.
<b>Are there other deductibles for specific services?</b>	Yes. \$100 for brand name prescription drugs	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
<b>What is the out-of-pocket limit for this plan?</b>	\$6,850 for Self Only or \$13,700 for Self Plus One or Self and Family	The <u>out-of-pocket limit</u> , or catastrophic maximum, is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own <u>out-of-pocket limit</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	Premiums, coverage for out of network services and healthcare services not covered by this plan	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
<b>Will you pay less if you use a network provider?</b>	Yes See <a href="http://www.Emblemhealth.com/federal">www.Emblemhealth.com/federal</a> or call 800-624-2414 for a list of network providers	This <u>plan</u> uses a provider <u>network</u> . You will pay all charges for providers that are not in the network.
<b>Do you need a referral to see a specialist?</b>	Yes.	This <u>plan</u> will pay all of the costs to see a <u>specialist</u> for covered services, but only if you have a referral before you see the specialist.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
