

It pays to be active™

With the **Active&Fit ExerciseRewards™** program, you get rewarded for working out.

Complete at least 50 visits each 6 months in a calendar year (1/1 – 6/30 and 7/1 – 12/31). You can earn \$200 in rewards. Your spouse/domestic partner and dependents can also earn \$100 in rewards by completing at least 50 visits each 6 months in a calendar year. It's that easy!

Here's how you can track your fitness center visits:

Enroll with an **Active&Fit® Fitness Center**

Enroll with one of the 20,000+ participating fitness centers, studios, and unique fitness experiences in our national network with substantial discounts on most memberships. Once enrolled, you don't need to do anything else—the fitness center will submit your visits for you automatically.¹

ASHConnect™ App

Use the ASHConnect™ app to track visits at a qualifying fitness center.² Our national network includes 50,000+ locations. For the app to count your visits, each workout should be at least 30 minutes (one fitness center visit per calendar day). Each 30-minute workout will count for one visit. Search for ASHConnect in your phone's app store.

Paper Log

If you prefer, you can manually track your fitness center visits and submit a Visit Submission Form. Each valid visit counts toward your reward goal.

The **Active&Fit ExerciseRewards** program also includes these features:
