

Our Prime Network is Growing

How We've Expanded

EmblemHealth has expanded our Prime Network for small groups (1 - 100 employees) and large groups (101 or more employees) to include both the QualCare network in New Jersey and ConnectiCare's network in Connecticut. With our enhanced Prime Network, members have more convenience and access to over 130,000 providers across the tristate region.

The **Prime Network** covers the five boroughs of New York City (the Bronx,* Brooklyn, Manhattan, Queens, and Staten Island), plus Nassau, Suffolk, Orange, Rockland, and Westchester counties, and upstate areas that stretch north of Albany.

The **ConnectiCare HMO Network** covers all eight counties in the state of Connecticut. The **QualCare HMO Network** covers all 21 counties across the state of New Jersey.
