National Network*

# A Quality Network You Deserve

The EmblemHealth **National Network** is made up of more than 87,000 health care professionals, facilities, and hospitals across the nation. This gives you the coverage that you need, where you need to receive it.

## National Network in New York and New Jersey\*\* includes:

**31,000+** primary care doctors\*

**56,000+** specialists\*

**5,400+** cardiologists

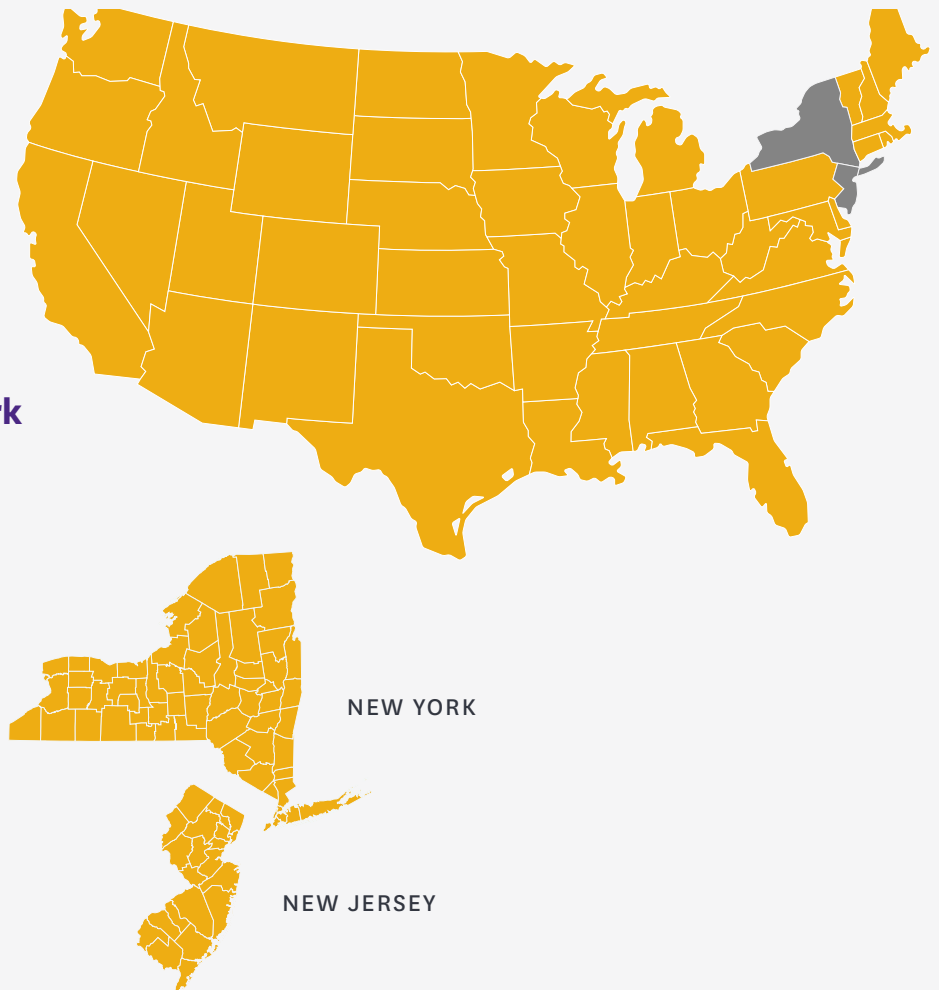

**6,700+** pediatricians

**2,100+** oncologists

**1,900+** orthopedic surgeons

**4,800+** OB-GYNs

**264+** hospitals

**Find doctors in our plan's network. Go to [emblemhealth.com](https://emblemhealth.com) and use the "Find a Doctor" tool. Be sure to choose large group or small group. You can find out whether you are part of a large or small group by checking with your employer.**

This information is as of 5/2020.

\*Criteria for primary care doctor status is based on board-certified specialties. Providers are considered primary care doctors if they have a board-certified specialty of Internal Medicine, Family Practice, General Practice, or Pediatrics.

\*\*Includes 28 counties in New York and 21 counties in New Jersey.
