

EmblemHealth Adult Dental and Vision Coverage

*Expanding coverage to your employees
without expanding your budget*

Healthy teeth and strong eyes contribute greatly to overall health. That's why EmblemHealth embeds adult dental and vision benefits in many of our small group plans – at no additional premium cost to you or your employees! It's a benefit you are not likely to find with other insurers. With these benefits, you are not required to meet a deductible.

DENTAL BENEFITS

- **Preventive dental** (1 exam and cleaning every 6 months)
- **Emergency dental**
- **Routine dental** (full mouth x-rays or panoramic x-rays at 36-month intervals, and bitewing x-rays at 6-month intervals)
- **Benefits administered through DentaQuest**

VISION BENEFITS

- **Eye exam** (1 exam every 12 months)
- **Contact lenses** (1 set of contacts per 12-month period) or
- **Frames** (one set of lenses and frames per 12-month period; frame allowance up to \$80 and 20% off balance over \$80 allowance)
- **Benefits administered through EyeMed**

See the Schedule of Benefits for more details about the full range of dental and vision benefits offered.

Want to find an eye doctor or dentist in the network?

Go to emblemhealth.com/find-a-doctor and search for a doctor in the network you are interested in.

Looking for more dental coverage?

EmblemHealth also offers excellent standalone dental products. Just ask your sales representative or broker for more information.
