

Quality Networks You Deserve

*EmblemHealth
Large Group
Networks*

EmblemHealth strives to offer the best choices of top providers and hospitals in the tri state area and across the nation.

Our networks include the QualCare network in New Jersey and the ConnectiCare network in Connecticut. Coverage outside the tristate area is provided by First Health[®], an NCQA-accredited provider network. Your employees can access providers across the nation.

The EmblemHealth **National Network** is made up of more than 87,000 health care professionals, facilities, and hospitals across the nation. This gives members the coverage that they need, where they need to receive it.

Outside of New York and New Jersey, the National Network includes First Health[®], an NCQA-accredited provider network.

National Network in New York and New Jersey* includes:

31,000+ primary care doctors**

56,000+ specialists**

5,400+ cardiologists

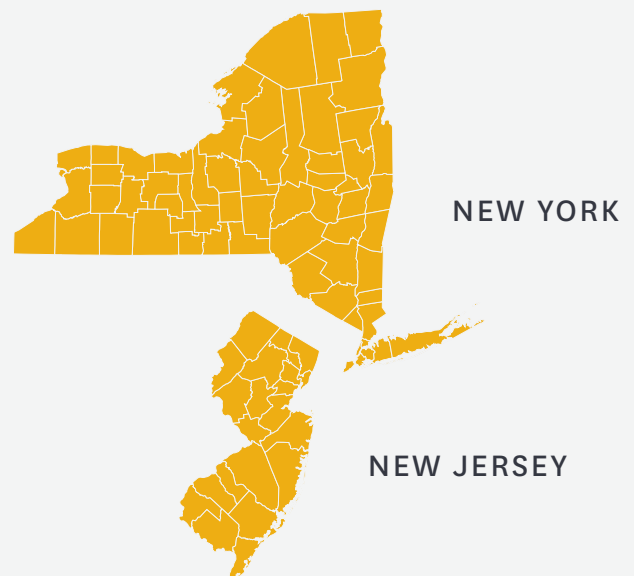

6,700+ pediatricians

2,100+ oncologists

1,900+ orthopedic surgeons

4,800+ OB-GYNs

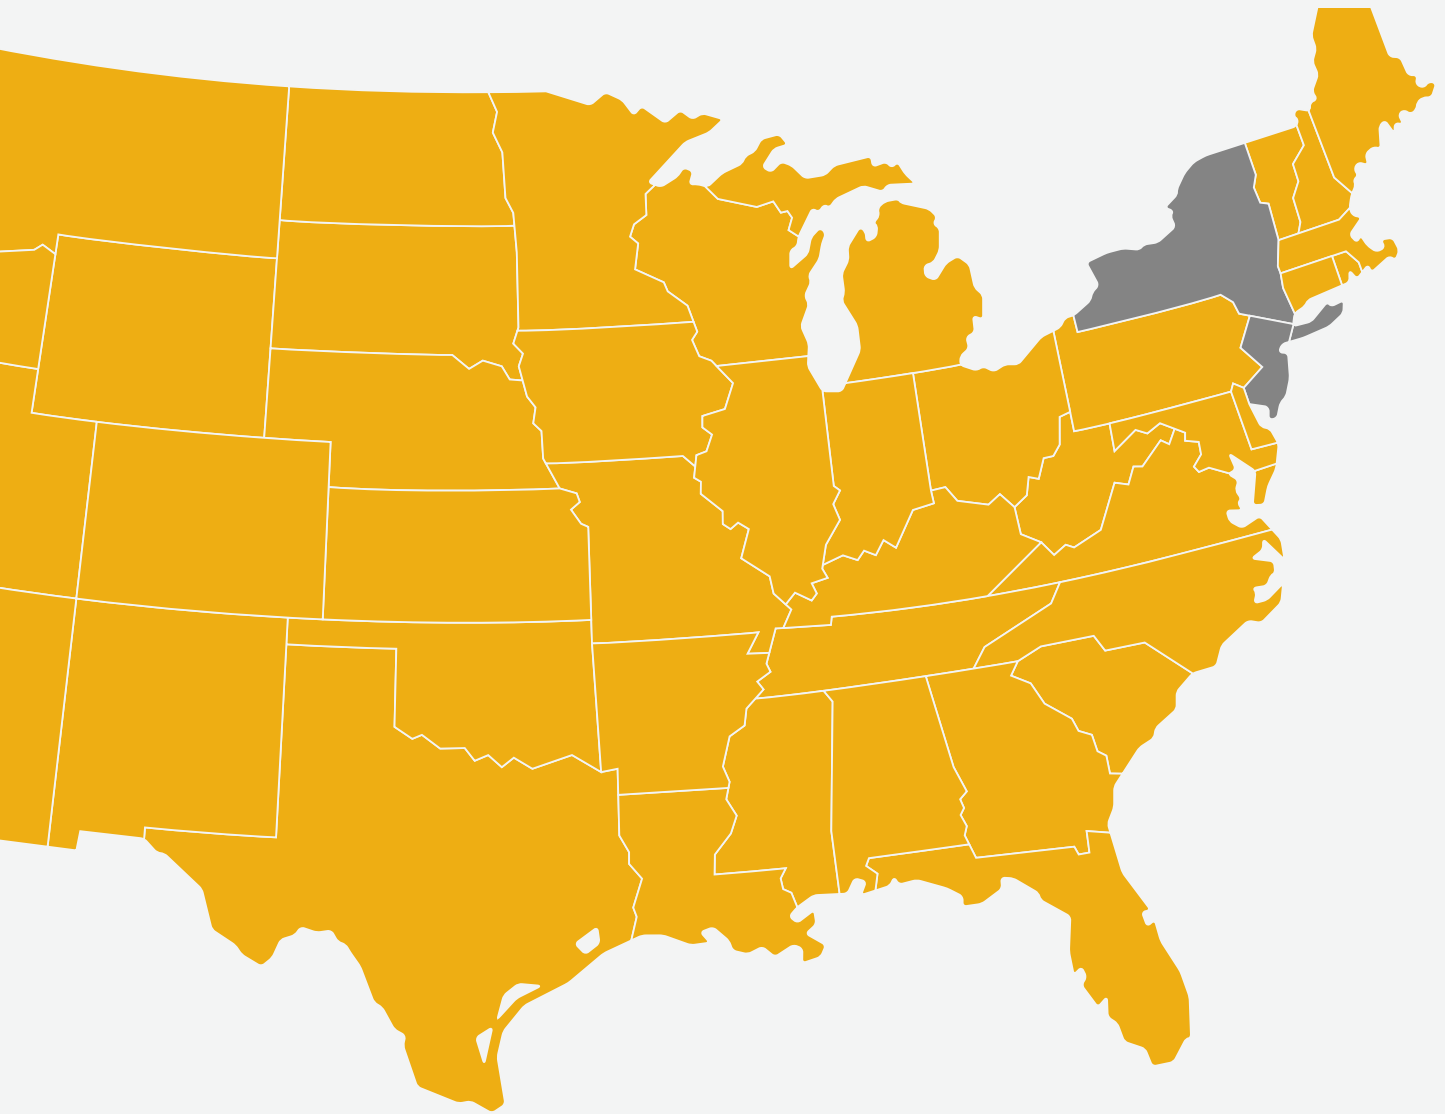

264+ hospitals

This information is as of 5/2020.

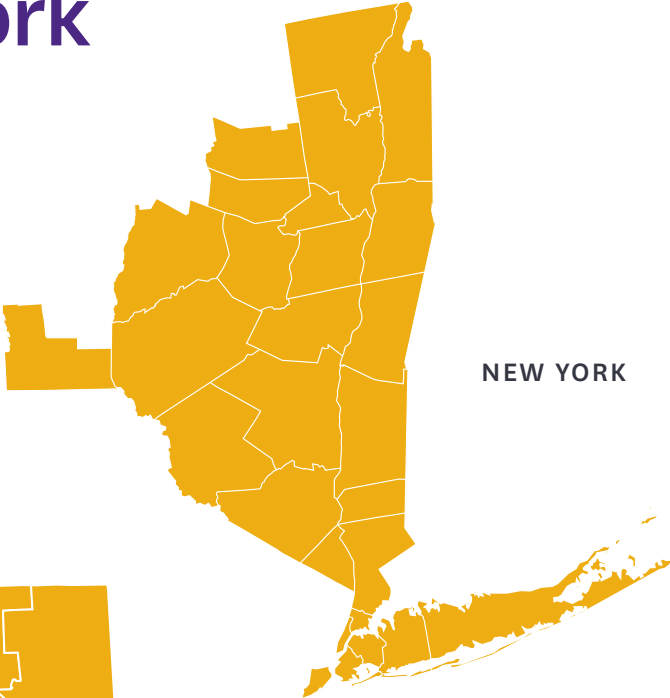

*Includes 28 counties in New York and 21 counties in New Jersey.

**Criteria for primary care doctor status is based on board-certified specialties. Providers are considered primary care doctors if they have a board-certified specialty of Internal Medicine, Family Practice, General Practice, or Pediatrics.

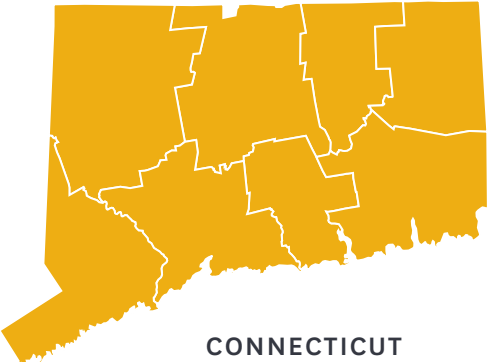

National Network

Prime Network

NEW YORK

CONNECTICUT

NEW JERSEY

The EmblemHealth **Prime Network** offers a choice of top providers and hospitals in the tristate area. It includes the Prime Network in New York, the QualCare network in New Jersey, and the ConnectiCare network in Connecticut so your employees can access over 123,000 providers across the region.

Outside of the tristate area, the Prime Network includes First Health[®], an NCQA-accredited provider network.

Prime Network in the Tri-State Area* includes:

43,000+ primary care doctors**

84,000+ specialists**

3,800+ cardiologists

7,800+ pediatricians

2,900+ oncologists

245 hospitals

This information is as of 5/2020.

*Includes 28 counties in New York, 21 counties in New Jersey, and 8 counties in Connecticut.

**Criteria for primary care doctor status is based on board-certified specialties. Providers are considered primary care doctors if they have a board-certified specialty of Internal Medicine, Family Practice, General Practice, or Pediatrics.

The EmblemHealth **Select Care Network** features a carefully selected group of providers and hospitals to cover all medical specialties across 28 New York counties. The plan is a great value to members and is focused on delivering quality and accessibility at a reasonable price.

Outside of its core New York service area, the Select Care Network includes First Health[®], an NCQA-accredited provider network.

Select Care Network in New York includes:

14,000+ primary care doctors*

38,000+ specialists*

1,500+ cardiologists

2,700+ pediatricians

1,000+ oncologists

700+ orthopedic surgeons

1,600+ OB-GYNs

84 hospitals

This information is as of 5/2020.

*Criteria for primary care doctor status is based on board-certified specialties. Providers are considered primary care doctors if they have a board-certified specialty of Internal Medicine, Family Practice, General Practice, or Pediatrics.

Millennium Network

The EmblemHealth **Millennium Network** is our most affordable network and gives members in the five boroughs, Nassau County, Suffolk County, and Westchester County access to top providers and hospitals in the region.

Outside of the core New York service area, the Millennium Network includes First Health[®], an NCQA-accredited provider network.

Millennium Network in New York includes:

7,700+ primary care doctors*

24,000+ specialists*

900+ cardiologists

1,600+ pediatricians

600+ oncologists

300+ orthopedic surgeons

100+ OB-GYNs

42 hospitals

This information is as of 5/2020.

*Criteria for primary care doctor status is based on board-certified specialties. Providers are considered primary care doctors if they have a board-certified specialty of Internal Medicine, Family Practice, General Practice, or Pediatrics.
