

EmblemHealth Administrative Services Only (ASO)

Robust Reporting

Understand where every health care dollar you spend goes with enhanced reporting from EmblemHealth on your ASO program.

As an ASO client, we know that you want insightful reporting so that you can best manage your claims and health care expense. With EmblemHealth, you'll get reporting modeled on the market's best in class packages:

- Standard Reports that give you the information you need
- Medical, hospital and pharmacy benefit drill downs
- Enhanced monthly premium & claim detail reporting
- Customized analysis
- Monthly delivery

Ad Hoc Reports that enable you to see member level claim detail and experience

- Custom reports based on parameters of your choice
- Daily refresh of data

Access that gives you control over your data

- Personalized dashboards through the EmblemHealth portal
- Designated users provided with access to view group information
- Level of access can be customized

Plus, EmblemHealth includes ongoing assessment and updates to the package and capabilities.

Find out more about how EmblemHealth ASO reporting provides you with the insights you need to manage your business's insurance claims. Call your producer or EmblemHealth sales associate.
