

EmblemHealth HMO Plus Plan

*More options with more opportunities
to save money.*

Members choose a primary care provider (PCP) to oversee their care.

Referrals are required to see specialists.

Telemedicine (through Teladoc®) and acupuncture benefits included.

Upfront deductibles lower costs.

EmblemHealth HMO Plus plan lets groups choose from various community-rated plans to find an arrangement that best suits their needs and budget. Groups can save money when compared with other similar EmblemHealth plans.

Plus, for the purpose of promoting good health and early detection of diseases, preventive services are available at no cost to members.

Cost-Sharing

Costs and copays for the following health services are not subject to the deductible:

- Services provided by a primary care provider (PCP)
- Diabetic equipment, supplies, and self-management
- Outpatient mental health and substance abuse care
- Treatment for autism spectrum disorder
- Telemedicine
- Acupuncture

There is a separate deductible for:

- Medical services
- Prescription drugs
- Equipment and devices

Pharmacy

- Members have access to Express Scripts' National Preferred Formulary.
- Express Scripts home delivery is convenient and can save members money when filling prescriptions for some medicines.
- Express Scripts can deliver a 90-day supply of certain prescription drugs instead of the typical 30-day supply, so members will need refills less often and may be less likely to miss a dose of their medicine. This can lead to better health outcomes.
