Let us show you why EmblemHealth InBalance EPO is the right choice for your portfolio today!

657,000+

Specialists

National Coverage

EmblemHealth InBalance EPO offers access to services through the National Network. It's made up of more than 806,000 health care professionals, facilities, and hospitals across the nation. This gives members the coverage that they need, where they need to receive it.

Coverage for the National Network outside of New York and New Jersey is provided by First Health®, an NCQA-accredited provider network. With consistent processes, First Health gives members access to a wide range of high-quality inpatient and outpatient services in both urban and rural areas.

Flexible Cost-Sharing Options

Tailor our plans to your needs! EmblemHealth InBalance EPO has a wide range of cost-sharing options to drive access and reduce costs.

Cost-sharing options include copays, deductibles, and coinsurance. Most covered services received in-network require a small copay. Some require deductibles and coinsurance.

5,400+

Hospitals*

Pharmacy Benefits

EmblemHealth InBalance EPO offers pharmacy benefits through the Express Scripts National Preferred Formulary. Express Scripts provides many benefits for members that can lead to better health outcomes:

- Home delivery makes it easy to fill prescriptions and can save members money.
- Members can fill 90-day supplies for certain prescription drugs. This way, members will need refills less often and may be less likely to miss a dose.

First Health,

a nationwide network for in-network coverage outside of the tristate area

Easy Transition and Administration

Our Account Management Team and an Implementation Team are ready to help every step of the way, so your transition from your present carrier will be smooth. For employees, ID cards will be issued promptly. And, we can arrange for transition of care services when needed.
