

Quality National Coverage

EmblemHealth
First Health[®] Network

At EmblemHealth, access to care is a top priority. If members have an emergency while living or traveling outside the network area, our partner, the **First Health Network**, can deliver the care they need. First Health is NCQA-accredited and offers a wide range of high-quality inpatient and outpatient services across the country.

First Health Network includes:

744,000+ providers

619,000+ specialists

5,300 hospitals

If members need to find a First Health network doctor, they just call the dedicated provider locator at 888-626-0553, 8 am to 8 pm, Monday through Friday. Or, they can visit emblemhealth.com and click on “Find a Doctor.”

This information is as of 5/2020.
