# Quality National Coverage

EmblemHealth
First Health® Network

At EmblemHealth, access to care is a top priority. If members need care while living or traveling outside the network area, our partner, the **First Health® Network**, can deliver the care they need. First Health® is NCQA-accredited and it offers a wide range of high-quality inpatient and outpatient service providers across the country.

First Health Network includes:

1,000,000+ health care professionals

185,000+ primary care providers (PCPs)

900,000+ specialists

5,600+ hospitals

If members need to find a First Health® network doctor, call the dedicated provider locator at 888-626-0553, 8 a.m. to 8 p.m., Monday through Friday. Or, they can visit emblemhealth.com and click on "Find Care" under "Find a Doctor."

This information is as of September 2023.
