MEDICARE PART D DRUGS

As a member of **EmblemHealth VIP Solutions (HMO D-SNP)**, you are automatically enrolled in Medicare Part D. You must have Medicare and Medicaid to enroll in this plan. Because you have Medicaid, you automatically qualify for Extra Help.

This means that you will receive help in paying for your Medicare Part D premium (the amount you pay for insurance every month), yearly deductible (the amount you pay before your plan starts to pay), and prescription drug copays (the amount you pay for a drug), as applicable.

How much you pay depends on what stage of the benefit you are in.

Deductible

The deductible is the amount you pay before your plan starts to pay.

Most members with Medicaid will have no deductible because they qualify for full Extra Help. Some members, depending on your level of Extra Help, may pay up to \$92 yearly deductible for prescription drugs, and some small copays (the amount you pay for drugs) or coinsurance (the percentage you pay for drugs) when you fill your prescriptions at pharmacies that contract with EmblemHealth.

Initial Coverage

After you've reached the deductible, you'll enter the initial coverage stage. In this stage, you and the plan share some of the costs of covered drugs. You pay copays and/or coinsurance for covered drugs until your total drug costs exceed \$4,130 in 2021. Total drug costs include what you have paid plus what EmblemHealth has paid since the beginning of the year.

Coverage Gap (also known as the donut hole)

You pay copays and/or coinsurance for covered drugs until your true out-of-pocket costs exceed \$6,550 in 2021. True out-of-pocket costs include the costs you have paid plus the brand name drug manufacturer discount. This stage does not apply to you when you have Extra Help.

The amount you pay depends on your level of Extra Help. Please refer to your Low-Income Subsidy (LIS) Rider for more information on what you pay.

Based on your level of Extra Help, you pay the following cost-sharing for prescription drugs in a retail pharmacy or through mail order:

PRESCRIPTION DRUG COSTS BY LOW-INCOME SUBSIDY (LIS) CATEGORY			
LIS CATEGORY (Subsidy Level)	OUT-OF-POCKET COSTS THROUGH THE COVERAGE GAP Generic/Brand	CATASTROPHIC STAGE Generic/Brand	PREMIUM (The amount you pay for your insurance every month)

Your Evidence of Coverage (EOC) has more information about what your plan covers for prescription drugs.

Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through home delivery pharmacy) reach **\$6,550**, depending on your level of Extra Help, you will pay \$0 for all drugs or \$3.70 for generic and brand drugs that are multisource, or \$9.20 for all others.

If you have questions, call us and ask for the “Evidence of Coverage (EOC).” You can also view the EOC online at emblemhealth.com/medicare.

Qualifying for Extra Help, Low-Income Subsidy (LIS)

If you qualify for Extra Help for your Medicare prescription drug plan costs, the amount you pay for insurance every month and cost at the pharmacy will be lower.

The amount of Extra Help, Low-Income Subsidy (LIS) level will decide the amount you pay for insurance every month as a member of our plan.

Summary of Medicaid-Covered Benefits

EmblemHealth VIP Solutions (HMO D-SNP) has a coordination of benefits agreement with the New York State Department of Health. Because enrollment in this plan is limited to members with Medicaid and Medicare, New York State will continue to cover your Medicare cost-sharing and additional Medicaid benefits if you have full Medicaid.

The kind of Medicaid benefits you get depends on what kind of Medicaid you have and your income and resources. Your Medicaid coverage can change during the year based on your income or resources. It is important that you recertify your Medicaid coverage every year.

With the help of Medicaid, some dual eligibles do not have to pay for Medicare-covered services.

Please remember to always show both your **EmblemHealth VIP Solutions (HMO D-SNP)** member ID card and your New York State-issued Medicaid card to get the Medicaid-covered services listed below. Your provider will need this information to cover your share of the costs when you qualify for assistance in paying Medicare cost-sharing. The services listed below are services covered by Medicaid.

2021 Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at **877-344-7364 (TTY: 711)**, 8 am to 8 pm, seven days a week.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit emblemhealth.com/medicare or call **877-344-7364 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums, and/or copayments/coinsurance may change on January 1, 2022.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
