

**EmblemHealth Medicare HMO Monthly Plan Premium for
People Who Get Extra Help from Medicare to Help Pay for Their Prescription Drug Costs**

If you get Extra Help from Medicare to help pay for your Medicare prescription drug plan costs, your monthly plan premium will be lower than what it would be if you did not get Extra Help from Medicare. The amount of Extra Help you get will determine your total monthly plan premium as a member of our plan, as outlined in the table below.

These premiums include coverage for both medical services and prescription drug coverage. They do not include any Medicare Part B premium.

In addition, the premium amounts may vary depending on which New York county you live in.
