Quest Labs

Quest Diagnostics is our network lab partner. They have many offices in our area. Remind your doctor to use Quest when you need lab tests. If your plan does not have out-of-network benefits and your tests go to an outside lab, you will have to pay more for them.

To set up an appointment or find a Quest office near you, go to **questdiagnostics.com/appointment.** Don't have an appointment? Walk-ins are welcome, too. All Quest offices are part of your plan.

To speak with someone at Quest, call **866-697-8378.** If you use a TTY, call Quest at **855-886-2901** and enter customer number **1134985.**

Labcorp

In addition to Quest Diagnostics, Labcorp is also available for all covered outpatient lab testing services. LabCorp is one of the nation's largest clinical laboratory networks with a strong commitment to the New York City area's clinical lab needs, with more than 120 patient service centers available for EmblemHealth members.

Visit **labcorp.com** to make an appointment at a patient service location near you. Some locations even offer evening and weekend hours. You can also view their online patient health library for information on routine lab tests.

To find a lab near you, you can also call **888-LabCorp (888-522-2677)** or EmblemHealth phone number on the back of your member ID card (TTY: **711**).
