# Annual Fee Schedule Updates (CMS and Medicaid)

REVIEW DATE:	APPROVED BY
6/03/2025	EmblemHealth's RPC (Reimbursement Policy Committee)

**Policy Statement:** EmblemHealth updates its systems based upon fee schedules approved by the Centers for Medicare & Medicaid Services (CMS), New York State Department of Health (NYSDOH), third party partners and Comprehensive Benefit Plan (CBP) fee schedules. These updated fee schedules are used to calculate applicable payments to our practitioners.

These updated fee schedules are used to calculate payments to our contracted practitioners and facilities based on the applicable reimbursement schedule.

It is EmblemHealth's policy that once the newest schedule is received, it is loaded, tested and available to pay claims within <u>60-days</u>. Claims received after the load date are paid using the updated fee schedule, if applicable, and no retroactive adjustments based on this new fee schedule will be made on claims submitted prior to the updated fee schedule load date.

#### CMS:

Once loaded, claims received after the load date are paid using the updated fee schedule, if applicable, and no retroactive adjustments based on this new fee schedule will be made on claims submitted prior to the initial 60-day time frame.

#### Medicaid:

EmblemHealth updates its systems based upon the Medicaid fee schedules released by the New York State Department of Health (NYSDOH). These updated fee schedules are used to calculate applicable payments to practitioners who are reimbursed based on the Medicaid fee schedule.
