Adding More Provider Service Representatives

Some providers experienced longer than usual claims cycle times, call wait times, and service issues as a result of our technology upgrade. To help expedite resolutions, we've added more representatives. It's best to call us before 10 a.m. or after 2 p.m. at **866 447 9717**. You may also use our Message Center. Sign in to emblemhealth.com and select "General Information" on the "Ask a Question" page. We appreciate your patience and thank you for caring for our members.

Improve Outcomes: Encourage Members to Complete Health Risk Assessments

Special Needs Plan (SNP) Model of Care members receive Health Risk Assessments (HRA) after they enroll in their health plans and again each year. HRAs help identify medical needs, allowing you to give more patient-specific care. SNP members may complete it online by signing into emblemhealth.com and going to the "Manage Your Health" section. They can also call us at **888-246-2934**. A representative will be happy to help.
