

Quick Start Guide to Your Benefits

Enhanced Care Plus

Welcome to the EmblemHealth Enhanced Care Plus plan. We are here to help you get the most from your health care benefits. Here's what you need to know to get started:

Renew Your Medicaid Coverage

Your continued enrollment in Medicaid is important. To stay enrolled, you need to recertify your eligibility once a year. If you have not recertified as this deadline approaches, we will send you reminders.

The Role of Your Primary Care Doctor

A primary care Doctor (PCP) manages your health care and can make referrals to any specialists you might need. Call your PCP whenever you need medical care, except in an emergency. The back of your Welcome Kit letter and member ID card show the name of your PCP. If there is no PCP listed, or if you would like to change your PCP, please follow the instructions below:

- Go to emblemhealth.com/sign-in, click Register, and fill in the required information.
- Now that you have a registered account, choose "Change PCP" and follow the "Provider Search" instructions. You'll see information about network physicians, including addresses, telephone numbers, languages spoken, and whether an office is wheelchair accessible.
- You can also change your PCP by calling Customer Service at **855-283-2146 (TTY: 711)**. Our hours are 8 a.m. to 6 p.m., Monday through Friday. A Customer Service representative will be happy to help.
