For members 19 years of age and over, there will be a waiting period of up to 12 months for benefits for any condition for which medical advice, diagnosis, care or treatment was recommended or received during the six-month period ending on a member's enrollment date. This waiting period will be reduced to the extent that a member is entitled by law to a credit for prior continuous creditable coverage. The Certification of Insurance or Certificate of Coverage will contain more information about the pre-existing condition waiting period and the types of coverage that qualify as prior continuous creditable coverage.
