SECTION VIII

For employer groups comprised of one or more employees, please check your current employer status below to ensure proper coordination of benefits for your Medicare Eligible Active Employees (you must check one of the boxes below):

- A. Employed fewer than twenty (20) full-time or part-time employees for twenty (20) or more calendar weeks for each working day in each of twenty (20) or more calendar weeks in the current calendar year (or the preceding calendar year).

NOTE: All employers that are treated as a single employer under Internal Revenue Code Section 52 must be treated as a single employer for purpose of the Medicare secondary payer rules. According to Internal Revenue Code Section 52, all employees of all corporations that are members of the same controlled group of corporations must be treated as employed by a single employer. This means that if a parent company owns at least fifty percent (50%) of a subsidiary, then the number of employees of the parent and the subsidiary must be combined for purposes of determining the 20-employee threshold. Similarly, brother-sister corporations may be combined in some cases if the parent corporation owns at least fifty percent (50%) of the brother-sister corporations.
