

To our Medicaid Managed Care Partners,

The attached link (http://www.acria.org/files/Achieve_Fall_2011.pdf) will direct you to the fall edition of the HIV specific newsletter, *Achieve*. Several articles in the referenced edition directly relate to current issues impacting HIV Prevention and Treatment. We would ask the link be shared with your Case Management Departments to inform them of the day to day issues impacting the HIV+. Thank you very much for your assistance in this challenging environment.

To get on the mailing list or order bulk copies of *Achieve* (available free to organizations that provide services to people with HIV) call 212-924-3934, ext. 134, or for additional information, email achieve@acria.org, or write to:

Achieve
230 West 38th St., 17th floor
New York, NY 10018.
