

HIP HMO PREFERRED

Quick Start Guide to Your Benefits

Welcome to your HIP HMO Preferred Plan, with services provided by our Prime Network. Here are some important things you need to know:

YOUR NETWORK AND PROVIDER

This plan provides in-network coverage only. You can minimize your out-of-pocket costs for most covered services by selecting a Preferred Primary Care Provider (PCP), or you can select a non-Preferred Prime Network PCP and pay greater out-of-pocket costs. If you use an out-of-network provider, you will have to pay all of the costs yourself, except for emergency care. For more information, see “How Your Coverage Works” in your Certificate.

When selecting a PCP or scheduling an appointment, make sure the provider is either a Preferred or non-Preferred Prime Network participating provider. If the provider has more than one office, also check that the office you’re visiting is part of the network. You can use EmblemHealth’s online provider directory to find a list of participating providers.

BENEFITS OF CHOOSING A PREFERRED PCP

If you select a participating Preferred PCP you will have no copay for primary care office visits as well as most specialist care when referred by your Preferred PCP. If you can’t find a Preferred PCP, there are many other participating PCPs within the Prime Network to choose from. For these visits you’ll have a moderate copay.

YOUR PCP’S ROLE

When you need specialty care, your PCP will send you to a specialist in your network. Your PCP or specialist will also contact us to get any needed approvals. Referrals and prior approvals are only valid for the specialist or hospital named on the referral and for a specific number of visits and length of time. You can check all of this by signing in to myEmblemHealth at emblemhealth.com. More about that later.

HOW YOUR PLAN WORKS

Selecting a Preferred PCP can help to keep costs* down:

| Your PCP | PCP copay | Specialist copays when referred by your PCP |
|-----------------------------|-------------|---|
| Preferred | \$0 | \$0 |
| Non-Preferred Participating | Moderate | Moderate |
| Non-Network | Not covered | Not covered |

*Some services regardless of PCP selection have a different copay level, such as emergency, ambulatory center facility and home health care. Check your schedule of benefits for more detail.

FIND A PRIME NETWORK PROVIDER

1. Sign in at emblemhealth.com.
2. Go to “Find a Doctor.”
3. On the Provider Search page, select the type of provider you are looking for. Enter a ZIP code to search by location or name to search by provider name.
4. Click on the “Search” button.
5. Locate a preferred PCP using the “Preferred Provider” button.
6. You will see a list of providers. Review the profiles until you find a provider who best meets your needs.

REFERRALS

You need a written or electronic referral from your PCP before receiving specialist care. Specialists are doctors such as allergists and dermatologists who provide services other than primary care. You do not need a referral for the following specialist services:

- Primary and preventive care
- Chiropractic services
- Outpatient mental health services
- Preventive and primary gynecologic (GYN) care
- Diabetes-related eye exams from an ophthalmologist

PRIOR APPROVAL

Some inpatient and outpatient services require prior approval by EmblemHealth before you receive them. Your network provider will contact us to take care of this for you. Examples of these services are: inpatient nonemergency procedures, outpatient surgery, home health care, hospice care, and outpatient physical, occupational and speech therapies. See your Certificate for a full list of services that require prior approval.

USE QUEST DIAGNOSTICS FOR LAB WORK

Remind your doctor to use Quest Diagnostics when lab testing is prescribed. Quest is a national laboratory with extensive coverage in our service area. For added convenience, Quest now offers lab testing by appointment, which you can schedule online at questdiagnostics.com/appointment. Or, call **1-888-277-8772** and use the automated phone system to schedule your lab testing. No appointment? Walk-ins are always welcome.
