

EmblemHealth MultiPlan Network for Large Groups

We want to ensure our members get the care they need when they need it — whether they're near or far from home.

If a member needs health care or has an emergency while living or traveling outside the New York and New Jersey area, he or she can use the MultiPlan Network to find a doctor.

The MultiPlan Network is part of the following EmblemHealth large group plans:

- Consumer Direct EPO
- Consumer Direct PPO
- InBalance EPO
- InBalance PPO
- EmblemHealth EPO
- EmblemHealth PPO

It includes over 800,000 health care providers, 110,040 ancillary facilities, and 5,002 hospitals, nationwide.

For a complete list of providers, members can visit [emblemhealth.com/Find-a-Doctor](https://www.emblemhealth.com/Find-a-Doctor), and follow the directions to access the MultiPlan Network online directory. It includes the most current information about health care professionals in the network.

EmblemHealth offers large group EPO and PPO members access to care across the country.
