EmblemHealth Preferred Dental Plan

This dental plan gives you quality coverage with access to over 8,500 dentists and specialists in New York and New Jersey. You can choose a network dentist or specialist for services covered under your plan. You don't have to pick a specific primary care dentist.

Dependent Coverage: With this dental plan, you can cover your children until the end of the month they turn 26.

Predetermination of Benefits: EmblemHealth can let you know what dental services and materials will be paid for before you go to your dentist. You may ask your dentist to send a Treatment Plan to EmblemHealth before you get oral surgery, prosthetics or appliances. EmblemHealth will review the Treatment Plan and tell you and your dentist what is covered.

Please note: Predetermination of Benefits are not required.

Dental Services Not Covered:

- Cosmetic surgery and treatment unless it is reconstructive surgery caused by trauma, infection, or disease of the involved part.
- Prescription drugs and medicines.
- Services and appliances for the treatment of temporomandibular joint (TMJ) dysfunction.
- Transplantations.
- This plan does not cover orthodontic services.

Annual Deductible: This is the amount you pay each year before your plan begins to pay. \$50 per individual, \$150 per family when you visit a dentist in our network. The deductible only applies to Type B and Type C services.

Annual Maximum: This is the maximum dollar amount your dental plan will pay toward the cost of dental care during your benefit period. You are personally responsible for paying costs above the annual maximum. \$1,000 per individual when you visit a dentist in our network.

Maximum Rollover Feature: EmblemHealth wants you to get the most out of your dental benefits. The maximum amount your dental plan will pay this year is \$1,000. If you use less than \$500 in benefits, we will add \$500 to your benefit for next year if you see a doctor in our network. We will add \$250 if you see a doctor outside our network. This can accumulate every year until you reach a total of \$2000 maximum.
