

EmblemHealth's Prime HMO/POS Network vs. Other Carriers

Compared to other health insurance carriers, EmblemHealth's Prime/POS network has the highest number of participating primary care physicians (PCPs) in nine of 10 downstate New York counties.*

Our Prime HMO/POS network gives members plenty of PCP options, and includes many of the state's most notable hospitals.

All networks are rated from the highest number of PCPs to the lowest.

Bronx County Physician Network

*Strenuous Network360 Report published June 1, 2017 for all carriers. Providers are counted one time per county. A provider may be both a primary care and a specialist. The comparison is intended for our distribution partners to demonstrate different carrier networks for our commercial business segment. This report is based solely upon publicly available information or information provided to Strenuous by third parties, and is only as valid as the source from which it was gathered or received. It is offered for analytical and general discussion purposes only. Health care providers practice at many locations and can change network affiliations often. Zelis Network Solutions, LLC (collectively "Publisher") make no warranties or representations as to the accuracy or completeness of the information or its appropriateness for any particular purpose, and are not responsible or liable for any claim, loss or damage resulting from its use or reliance upon such information.
