

# 2020 EmblemHealth Benefit Plans with *No Referrals Required*

In 2020, EmblemHealth is offering more plans that do not require referrals. This makes it easier for our providers to connect members with the care they need.

Providers should allow members with these plans to make an appointment without a referral.

Please print the list below as a reference tool for your staff who schedules appointments for you.

## 2020 EmblemHealth Benefit Plans with *No Referrals Required*
